DARIA BLUUR

BIO

Daria Bluur, a dynamic force in the world of electronic music, embarked on her journey into DJing in 2020. Shortly thereafter, she co-founded the immersive promotional group, Immersion, igniting vibrant electronic scenes across the Urals with their electrifying parties.

Leveraging her passion and expertise, Daria later transitioned into teaching DJing at one of Russia's premier schools, leaving an indelible mark on aspiring talents. Her musical prowess transcends borders, captivating audiences in cities spanning Russia, Kazakhstan, and Armenia, before finding her current home in the vibrant music scene of Goa, India.

A true connoisseur, Daria's eclectic sets traverse genres, from organic and afro house to progressive beats, indie melodies, and the pulsating rhythms of techno and psytrance. Her magnetic presence has graced the airwaves of both Russian and European radio stations, solidifying her status as a rising star in the global electronic music scene.
